# Travelling to and from JCoSS

---

JCoSS is in the heart of the Jewish community. Over 60% of the UK's entire Jewish population lives within a 12 mile radius, including communities in Borehamwood, Edgware, Elstree, Finchley, Golders Green, Hackney, Hendon, Ilford, Muswell Hill, Radlett, Redbridge, Southgate, St Albans and Stanmore. Few students – including those using public transport – will face journey times of much more than 30 minutes and for many it will be significantly less.

There are many convenient ways to travel to JCoSS. Sustainability is important to the school, and we encourage parents to use the greenest practical method of transport to get your children to and from school.

## 1. Public transport

### Buses

The school is well served by buses. Most go to the nearby New Barnet railway station (see below), while the 384 bus goes directly past the school gates.

A map detailing the main bus routes serving the area is shown overleaf. For further details and travel times see [www.tfl.gov.uk](http://www.tfl.gov.uk).

### Underground

The school is about 15-20 minutes walk from Cockfosters (Piccadilly Line) and High Barnet (Northern Line). Trains to and from these stations run at least every 10 minutes. The 384 hopper bus shuttles between these stations via the school every 15 minutes.

### Overground

JCoSS is served by New Barnet railway station, which is about 10-12 minutes walk from the school. The 384 hopper bus runs every 15 minutes from the station to the school gates. Trains run every 15-20 minutes from Moorgate and Welwyn Garden City, passing through Finsbury Park, Haringey, Hornsey, Alexandra Palace, New Southgate, Oakleigh Park, Hadley Wood, Potters Bar and elsewhere.

## 2. Private coach services

JCoSS offers private coach services. Below are the current routes. However as the school grows, routes may be added or changed to incorporate new locations.

The current price for these services is round £7-£7.25 per day.

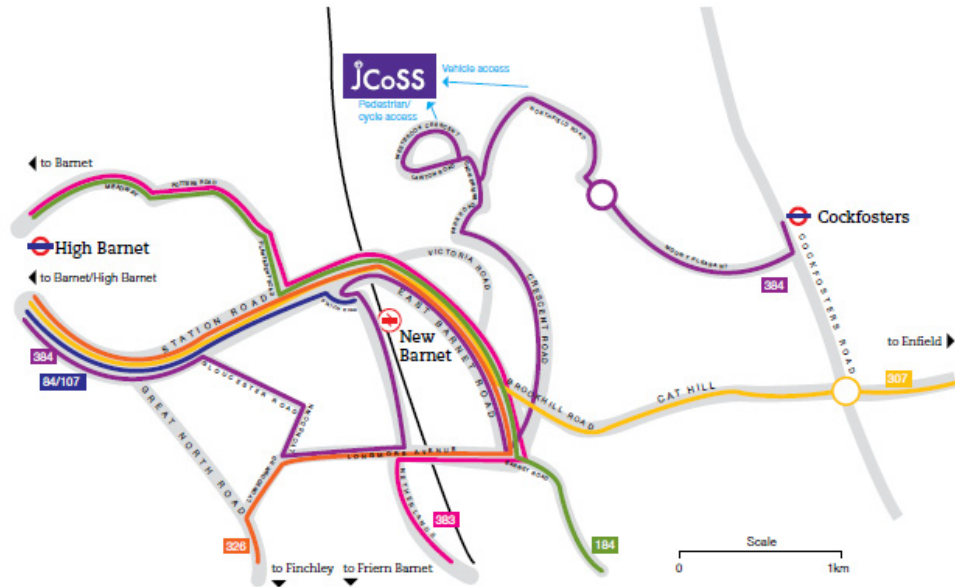

## 3. Walking and cycling

As a green school, JCoSS is working closely with Barnet Council to promote walking and encouraged through the school curriculum. Secure covered cycle parking and locker facilities are available on site. We are in discussion over possible cycle routes.

## 4. Car sharing

We do not encourage driving, except when transporting students with recognised special needs. For those who have no choice, we encourage car sharing. Parents drop students off within the security ring of the school. The transport coordinator can match parents interested in car sharing via the database and put them in phone/email contact. Parents can already identify other interested parents in their area by visiting the JCoSS Facebook group and posting a message to the message board.
